

### Lecturer Deployment at TUM Asia (March - July 2017)

The Lecturer Deployment list serves as a reference guide to indicate which of our TUM lecturers, partner universities' lecturers and other employed lecturers are currently assigned to teach at the TUM Asia campus.  
 \*Our lecturers are full-time employees of their respective universities, institutions or organizations and their assigned teaching period at TUM Asia is governed by contractual terms agreed with the lecturer and/or their institution.

S/No.	Professors / Lecturers	Part-Time / Full-Time*	Highest Qualification	Awarding Body of Highest Qualification	Programmes & Modules Deployed to Teach	
					Course Title	Module Name
1	Dr. Adrian Lim	Full-Time	PhD	University of California, San Diego (UCSD), USA	BSc in Chemical Engineering	Advanced Mathematics 2
2	Dr. Alexander Ewald	Full-Time	PhD	Technische Universität München, Germany	BSc in Chemical Engineering	Engineering Mechanics 1
					BSc in Chemical Engineering	Engineering Mechanics 2
3	Dr. Armando Borgna	Full-Time	PhD	Universidad Nacional del Litoral, Argentina	MSc in Industrial Chemistry	Molecular and Heterogeneous Catalysis
4	Dr. Bernhard Lechner	Full-Time	PhD	Technische Universität München, Germany	MSc in Transport & Logistics	Trackworks II
5	Dr. Carlos Acostga	Full-Time	PhD	University of Essex, United Kingdom	BSc in Electrical Engineering & Information Technology	Lab Course Control & Automation
6	Dr. Hanns Zetlinger	Full-Time	PhD	University of Bonn, Germany	MSc in Transport & Logistics	Green Supply Chain Management
					MSc in Industrial Chemistry	Production Planning in the Chemical Industry
7	Dr. Helmut Graeb	Full-Time	PhD	Technische Universität München, Germany	MSc in Integrated Circuit Design	Simulation and Optimisation of Analog Circuits
8	Dr. Julius Markovits	Full-Time	PhD	Technische Universität München, Germany	BSc in Chemical Engineering	Advanced Inorganic Chemistry
					BSc in Chemical Engineering	Advanced Inorganic & Analytical Chemistry Lab Course
					BSc in Chemical Engineering	Organic Chemistry Lab Course
9	Dr. Malcolm Low	Full-Time	PhD	University of Michigan, USA	BSc in Electrical Engineering & Information Technology	Algorithms and Data Structures
10	Dr. Michael Joham	Full-Time	PhD	Technische Universität München, Germany	BSc in Electrical Engineering & Information Technology	Circuit Theory
11	Dr. Michael Leining	Full-Time	PhD	Technische Universität Darmstadt, Germany	MSc in Transport & Logistics	Train Control and Signalling Systems
12	Dr. Michael Rossbach	Full-Time	PhD	Biochemistry (PhD in immunology) at the University of New South Wales (Sydney, Australia), at the University of Witten/Herdecke (Witten, Germany) and at Harvard Medical School (Boston, USA)	MSc in Industrial Chemistry	Biochemistry for Industrial Chemists
13	Dr. Gerd Gemmecker	Full-Time	PhD	J. W. Goethe University in Frankfurt/Main, Germany	MSc in Industrial Chemistry	Biochemistry for Industrial Chemists
14	Dr. Michael Seidel	Full-Time	PhD	University of Tübingen, Germany	MSc in Industrial Chemistry	Bioprocessing/Bioengineering
15	Dr. Michael Zwick	Full-Time	PhD	Technische Universität München, Germany	BSc in Electrical Engineering & Information Technology	Computer Technology
16	Dr. Patrick Chua	Full-Time	PhD	University of Liverpool, United Kingdom	BSc in Chemical Engineering	Engineering Thermodynamics
17	Dr. Reuben Wong	Full-Time	PhD	Oxford University, United Kingdom	MSc in Transport & Logistics	Aspects of European and Asian Relations Today
					MSc in Industrial Chemistry	Aspects of European and Asian Relations Today
18	Dr. Roland Fischer	Full-Time	PhD	Technische Universität München, Germany	MSc in Transport & Logistics	Design and Applications of Material Handling Systems
19	Dr.-Ing. Andreas Rau	Full-Time	PhD	Technical University of Dresden, Germany	MSc in Transport & Logistics	Public Transport Planning
20	Dr. Josef Biba	Full-Time	PhD	Bundeswehr University Munich, Germany	MSc in Green Electronics	Advanced MOSFET & Novel Devices
					MSc in Integrated Circuit Design	Advanced MOSFET & Novel Devices
21	Mr. Michael Krennmayr	Full-Time	Master	Technische Universität München, Germany	MSc in Aerospace Engineering	Flight Control Systems
22	Mr. Maximilian Neuner	Full-Time	Master	Technische Universität München, Germany	MSc in Integrated Circuit Design	Simulation and Optimisation of Analog Circuits
23	Mr. Torben Heinemann	Full-Time	Master	University of Technology, Dresden, Germany	MSc in Transport & Logistics	Urban Road Design
24	Mr. J. Stich	Full-Time	Master	Technische Universität München, Germany	MSc in Green Electronics	Introduction to the Power System
25	Mr. S. Hanif	Full-Time	Master	Technische Universität München, Germany	MSc in Green Electronics	Introduction to the Power System
26	Ms. Alma Pröbstl	Full-Time	Master	Technische Universität München, Germany	MSc in Integrated Circuit Design	Embedded Systems
27	Prof. Alexander Koch	Full-Time	PhD	Universität der Bundeswehr München, Germany	BSc in Electrical Engineering & Information Technology	Measurement and Sensor Technology
					BSc in Electrical Engineering & Information Technology	Electrical Energy Technology
28	Prof. Dr. Fritz Kuehn	Full-Time	PhD	Technische Universität München, Germany	MSc in Industrial Chemistry	Molecular and Heterogeneous Catalysis
29	Prof. Dr. Johann Plank	Full-Time	PhD	University of Regensburg, Germany	MSc in Industrial Chemistry	Building Chemistry and Construction Chemicals
30	Prof. Dr. Thomas Fassler	Full-Time	PhD	University of Heidelberg, Germany	MSc in Industrial Chemistry	Material Chemistry and Engineering
31	Prof. Dr. Christian Kille	Full-Time	PhD	Friedrich-Alexander-University Erlangen-Nuremberg, Germany	MSc in Transport & Logistics	Consumer Industry Supply Chain Management
32	Prof. Dr. Jörg Schlüchtermann	Full-Time	PhD	University of Münster, Germany	MSc in Transport & Logistics	Health Care Logistics
33	Prof. Dr. Peter Klaus	Full-Time	PhD	Graduate School of Management, Boston University, USA	MSc in Transport & Logistics	Logistics Service Provider (LSP) Management

34	Prof. Ernie Teo	Full-Time	PhD	University of New South Wales, Australia	MSc in Transport & Logistics	Selected Topics in Business Administration
35	Prof. Florian Holzapfel	Full-Time	PhD	Technische Universität München, Germany	MSc in Aerospace Engineering	Flight Control Systems
36	Prof. Gerhard Wachutka	Full-Time	PhD	Ludwig Maximilian University of Munich, Germany	MSc in Green Electronics	Microstructured Devices and Systems for Green Electronics
					MSc in Green Electronics	Semiconductor Power Devices
37	Prof. Harald Klein	Full-Time	PhD	University of Stuttgart, Germany	BSc in Chemical Engineering	Thermal Process Engineering
38	Prof. Jörg Conradt	Full-Time	PhD	ETH Zurich, Switzerland	MSc in Integrated Circuit Design	Mixed Signal Circuit Design
39	Prof. Lukas Hintermann	Full-Time	PhD	Swiss Federal Institute of Technology Zurich, Switzerland	BSc in Chemical Engineering	Organic Chemistry 2
40	Prof. Manfred Hajek	Full-Time	PhD	Technische Universität München, Germany	MSc in Aerospace Engineering	Helicopter Engineering
41	Mr. Willam Garre	Full-Time	Master	Technische Universität München, Germany	MSc in Aerospace Engineering	Helicopter Engineering
42	Prof. Marc Tomow	Full-Time	PhD	University of Stuttgart, Germany	MSc in Green Electronics	Bioelectronics
43	Prof. Martin Buss	Full-Time	PhD	University of Tokyo, Japan	BSc in Electrical Engineering & Information Technology	Dynamic Systems and Control
44	Prof. Michael Seidel	Full-Time	PhD	University of Tübingen, Germany	BSc in Chemical Engineering	Biochemical Process Engineering
45	Prof. Ng Heong Wah	Full-Time	PhD	University of Liverpool, United Kingdom	MSc in Aerospace Engineering	Aero-systems
46	Prof. Olaf Hinrichsen	Full-Time	PhD	Technische Universität Berlin, Germany	BSc in Chemical Engineering	Mechanical Process Engineering
47	Prof. Samarjit Chakraborty	Full-Time	PhD	ETH Zurich, Switzerland	MSc in Integrated Circuit Design	Embedded Systems
48	Prof. Shaker Meguid	Full-Time	PhD	University of Manchester Institute of Science and Technology, United Kingdom	MSc in Aerospace Engineering	Failure Analysis, Diagnostics and Prevention
49	Prof. Tang Dingyuan	Full-Time	PhD	The University of Hannover, Germany	MSc in Green Electronics	Modern Semiconductor Devices
50	Prof. Thomas Hamacher	Full-Time	PhD	University of Hamburg, Germany	MSc in Green Electronics	Introduction to the Power System
51	Prof. Ulrich Karl Boesl	Full-Time	PhD	University of Stanford, USA	BSc in Chemical Engineering	Analytical Chemistry
52	Prof. Volker Gummert	Full-Time	PhD	Technische Universität München, Germany	MSc in Aerospace Engineering	Turbo Compressors
53	Mr. Andre Inzenhofer	Full-Time	Master	Technische Universität München, Germany	MSc in Aerospace Engineering	Turbo Compressors
54	Prof. Zhang Dao Hua	Full-Time	PhD	University of New South Wales, Australia	MSc in Green Electronics	Modern Semiconductor Devices
55	Prof. Kim Tae Hyoung	Full-Time	PhD	University of Minnesota, USA	MSc in Integrated Circuit Design	Design for Testability of VLSI
